The LOOP PLUS can be used for a wide variety of commercial and industrial applications. Strapping can also help reduce postage charge for shipping. When preparing 2nd-4th class mail for shipment the LOOP PLUS is a more versatile, secure alternative to string, tape or rubber bands. Commercial or in-house printing facilities can use the LOOP PLUS to bundle copied or printed materials. Banks and other financial institutions find strapping ideal for bundling cash, check, coin boxes, statements, lock box remittances and more.
